Healthcare Wipeable Duvet

This fully wipeable healthcare duvet is skilfully designed to meet the expectations of the healthcare sector such as the NHS, private hospitals and care homes. As it is easy to wipe clean, it can help in the fight against infection. This is our most popular duvet in the healthcare market.

Flammability of outer lining meets BS 7175, Crib 5.

Composition: Cover

Polypropylene

Composition: Filling

Polyester Hollowfibre

Pillow also available
